ARROW WINDOW CLEANERS

Quality window cleaners in the medium and low price field. Nationally advertised for volume sales and bigger profits.

ARROW STEEL FLOOR SCRAPERS

A practical, durable combination of floor scraper and squeegee. Frame is made of steel angle. Green enameled. Handle socket is extra long of welded steel. Brilliant red baked enamel finish.

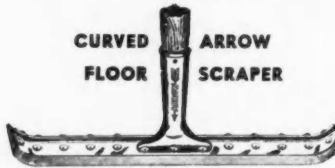

Rubbers $\frac{1}{4}$ " thick by $2\frac{1}{4}$ " wide except 15 and 18" sizes which are $\frac{1}{4}$ " thick and 2" wide. Packed 3 in one carton.

A COMPLETE LINE

Arrow Products, the leading quality window cleaners and floor scrapers for twenty years, create satisfied customers and bring a good volume of repeat business.

CURVED FLOOR ARROW SCRAPER

ARROW GLASS SCRAPER

There is a need for these handy razor blade holders in every office, factory, store and home.

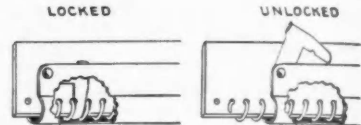

Arrow Glass Scrapers are constructed from high grade steel, plated to prevent rusting. They are made to securely clamp razor blades. Handle affords a comfortable firm grip. Slip-over guard will protect blade when not in use and has screw driver tip for changing blade. Glass Scrapers are mounted on display cards giving full direction for use.

SPRING
WINDOW

LOCK
CLEANER

Made from heavy brass. Precision built, sliding handle. Rubbers inserted in one second. Equipped with a spiral brass spring, securely locking rubber in position with a small lever on one end of frame. See detailed drawings below.

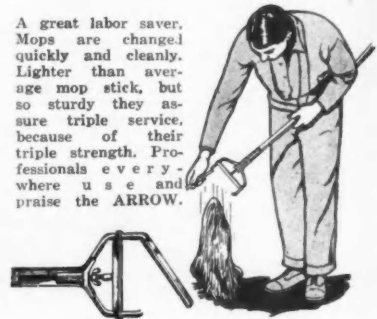

ARROW WOOD FLOOR SCRAPER

An inexpensive floor squeegee that will give long satisfactory service. Made of clean kiln-dried hardwood. #1 Style has $\frac{3}{16}$ " thick rubber, #2 Style has $\frac{1}{4}$ " thick rubber. Sizes, 16", 18", 24" and 30".

ARROW GREAT DUTY MOP STICK

A great labor saver. Mops are changed quickly and cleanly. Lighter than average mop stick, but so sturdy they assure triple service, because of their triple strength. Professionals everywhere use and praise the ARROW.
